BIPARTISAN POLICY CENTER

### ABOUT THE BIPARTISAN POLICY CENTER:

In 2007, former U.S. Senate Majority Leaders Howard Baker, Tom Daschle, Bob Dole, and George Mitchell formed the Bipartisan Policy Center (BPC) to develop and promote solutions that can attract the public support and political momentum to achieve real progress. The BPC acts as an incubator for policy efforts that engage top political figures, advocates, academics, and business leaders in the art of principled compromise.
