

National Tracking Poll #200804
August 03-10, 2020

Crosstabulation Results

Methodology:

This poll was conducted between August 3-August 10, 2020 among a national sample of 1000 Parents with children under 5. The interviews were conducted online. Results from the full survey have a margin of error of plus or minus 3 percentage points.

Table Index

1	Table BPC1: <i>Thinking back to January 2020, were you paying for child care for any of your children 5 and under?</i>	10
2	Table BPC2: <i>And, were you paying for full-time or part-time child care in January 2020?</i> . .	14
3	Table BPC4: <i>And, thinking specifically about your school aged children (6-12 years old), which of the following types of schools do your school-aged children attend?</i>	17
4	Table BPC5_13: <i>Which of the following best describe the primary child care arrangement for your child or children under the age of 5 in January 2020? Child 1</i>	21
5	Table BPC5_14: <i>Which of the following best describe the primary child care arrangement for your child or children under the age of 5 in January 2020? Child 2</i>	25
6	Table BPC5_15: <i>Which of the following best describe the primary child care arrangement for your child or children under the age of 5 in January 2020? Child 3</i>	28
7	Table BPC5_16: <i>Which of the following best describe the primary child care arrangement for your child or children under the age of 5 in January 2020? Child 4</i>	29
8	Table BPC5_17: <i>Which of the following best describe the primary child care arrangement for your child or children under the age of 5 in January 2020? Child 5</i>	30
9	Table BPC6: <i>Thinking about the arrangement your youngest child attended in January 2020, what best describes the provider’s current operating status in light of the coronavirus (COVID-19) pandemic?</i>	31
10	Table BPC7: <i>Which of the following best describes your situation?</i>	36
11	Table BPC8: <i>Which best describes the primary way you have been providing care for your child(ren) who were attending a child care provider prior to the coronavirus (COVID-19) pandemic?</i>	43
12	Table BPC9: <i>On average, how many days a week do you currently need child care?</i>	46
13	Table BPC10: <i>Have you sought child care during the coronavirus (COVID-19) pandemic?</i> .	51
14	Table BPC11: <i>How easy or difficult has it been for you to find quality child care within your budget during the coronavirus (COVID-19) pandemic?</i>	55
15	Table BPC12: <i>How does the search to find quality child care during the coronavirus (COVID-19) pandemic compare to finding quality child care within your budget prior to the coronavirus (COVID-19)?</i>	58
16	Table BPC13_7: <i>When do you plan to send your child(ren) to a child care program? Child 1</i>	62
17	Table BPC13_8: <i>When do you plan to send your child(ren) to a child care program? Child 2</i>	67
18	Table BPC13_9: <i>When do you plan to send your child(ren) to a child care program? Child 3</i>	72

19	Table BPC13_10: <i>When do you plan to send your child(ren) to a child care program? Child 4</i>	76
20	Table BPC13_11: <i>When do you plan to send your child(ren) to a child care program? Child 5</i>	77
21	Table BPC15_1: <i>How important, if at all, are each of the following factors as you consider sending your child (or children) back to a child care program during the coronavirus (COVID-19) pandemic? Concern about the coronavirus</i>	78
22	Table BPC15_2: <i>How important, if at all, are each of the following factors as you consider sending your child (or children) back to a child care program during the coronavirus (COVID-19) pandemic? A need to return to work</i>	83
23	Table BPC15_3: <i>How important, if at all, are each of the following factors as you consider sending your child (or children) back to a child care program during the coronavirus (COVID-19) pandemic? A need to manage other caregiving responsibilities</i>	88
24	Table BPC15_4: <i>How important, if at all, are each of the following factors as you consider sending your child (or children) back to a child care program during the coronavirus (COVID-19) pandemic? Providing my child(ren) with opportunities for learning and development</i>	93
25	Table BPC15_5: <i>How important, if at all, are each of the following factors as you consider sending your child (or children) back to a child care program during the coronavirus (COVID-19) pandemic? Providing my child(ren) with opportunities for socialization</i>	98
26	Table BPC16: <i>Since you do not plan to send your child(ren) to a child care program, how do you plan to care for your child (or children)?</i>	103
27	Table BPC17_1: <i>When thinking about sending your child(ren) under 5 to child care, if cost were not a factor in your decision, please rank the following child care options from your most preferred to your least preferred child care option, where '1' is your 'most preferred' and '12' is your 'least preferred' child care option. - Child Care Center (family-owned or individual location)</i>	107
28	Table BPC17_2: <i>When thinking about sending your child(ren) under 5 to child care, if cost were not a factor in your decision, please rank the following child care options from your most preferred to your least preferred child care option, where '1' is your 'most preferred' and '12' is your 'least preferred' child care option. - Child Care Center (with multiple locations)</i>	110
29	Table BPC17_3: <i>When thinking about sending your child(ren) under 5 to child care, if cost were not a factor in your decision, please rank the following child care options from your most preferred to your least preferred child care option, where '1' is your 'most preferred' and '12' is your 'least preferred' child care option. - Family Child Care Home</i>	113
30	Table BPC17_4: <i>When thinking about sending your child(ren) under 5 to child care, if cost were not a factor in your decision, please rank the following child care options from your most preferred to your least preferred child care option, where '1' is your 'most preferred' and '12' is your 'least preferred' child care option. - Preschool or Nursery School Program</i>	116

31 **Table BPC17_5:** *When thinking about sending your child(ren) under 5 to child care, if cost were not a factor in your decision, please rank the following child care options from your most preferred to your least preferred child care option, where '1' is your 'most preferred' and '12' is your 'least preferred' child care option. - Pre-Kindergarten or Public-School-Based Program* 119

32 **Table BPC17_6:** *When thinking about sending your child(ren) under 5 to child care, if cost were not a factor in your decision, please rank the following child care options from your most preferred to your least preferred child care option, where '1' is your 'most preferred' and '12' is your 'least preferred' child care option. - School-Aged Child Care* 122

33 **Table BPC17_7:** *When thinking about sending your child(ren) under 5 to child care, if cost were not a factor in your decision, please rank the following child care options from your most preferred to your least preferred child care option, where '1' is your 'most preferred' and '12' is your 'least preferred' child care option. - Head Start Program* 125

34 **Table BPC17_8:** *When thinking about sending your child(ren) under 5 to child care, if cost were not a factor in your decision, please rank the following child care options from your most preferred to your least preferred child care option, where '1' is your 'most preferred' and '12' is your 'least preferred' child care option. - Faith-Based Program* 128

35 **Table BPC17_9:** *When thinking about sending your child(ren) under 5 to child care, if cost were not a factor in your decision, please rank the following child care options from your most preferred to your least preferred child care option, where '1' is your 'most preferred' and '12' is your 'least preferred' child care option. - Family Member or Relative* 131

36 **Table BPC17_10:** *When thinking about sending your child(ren) under 5 to child care, if cost were not a factor in your decision, please rank the following child care options from your most preferred to your least preferred child care option, where '1' is your 'most preferred' and '12' is your 'least preferred' child care option. - Members of My Household Alternate Work Hours to Provide Care* 134

37 **Table BPC17_11:** *When thinking about sending your child(ren) under 5 to child care, if cost were not a factor in your decision, please rank the following child care options from your most preferred to your least preferred child care option, where '1' is your 'most preferred' and '12' is your 'least preferred' child care option. - Friend or Neighbor* 137

38 **Table BPC17_12:** *When thinking about sending your child(ren) under 5 to child care, if cost were not a factor in your decision, please rank the following child care options from your most preferred to your least preferred child care option, where '1' is your 'most preferred' and '12' is your 'least preferred' child care option. - Nanny or Nanny-Share* 140

39 **Table BPC18_1:** *How comfortable, if at all, would you be with each of the following? Sending your child to a child care center* 143

40 **Table BPC18_2:** *How comfortable, if at all, would you be with each of the following? Sending your child to family child care/a home-based provider* 148

41 **Table BPC18_3:** *How comfortable, if at all, would you be with each of the following? Using a nanny* 153

42	Table BPC18_4: <i>How comfortable, if at all, would you be with each of the following? Sending your child to a preschool or public Pre-K program</i>	158
43	Table BPC18_5: <i>How comfortable, if at all, would you be with each of the following? Sending your child to elementary school</i>	163
44	Table BPC18_6: <i>How comfortable, if at all, would you be with each of the following? Having a family member or relative care for your child</i>	168
45	Table BPC18_7: <i>How comfortable, if at all, would you be with each of the following? Having a friend or neighbor care for your child</i>	173
46	Table BPC19_1: <i>When thinking about sending your child(ren) back to child care in light of the coronavirus (COVID-19) pandemic, how concerned are you, if at all, about each the following? My previous child care provider will not be open</i>	178
47	Table BPC19_2: <i>When thinking about sending your child(ren) back to child care in light of the coronavirus (COVID-19) pandemic, how concerned are you, if at all, about each the following? My child's teacher will not be the same</i>	183
48	Table BPC19_3: <i>When thinking about sending your child(ren) back to child care in light of the coronavirus (COVID-19) pandemic, how concerned are you, if at all, about each the following? My child and family will be more likely to be exposed to COVID-19</i>	188
49	Table BPC19_4: <i>When thinking about sending your child(ren) back to child care in light of the coronavirus (COVID-19) pandemic, how concerned are you, if at all, about each the following? I will not be able to afford child care</i>	193
50	Table BPC19_5: <i>When thinking about sending your child(ren) back to child care in light of the coronavirus (COVID-19) pandemic, how concerned are you, if at all, about each the following? The child care arrangement will close</i>	198
51	Table BPC19_6: <i>When thinking about sending your child(ren) back to child care in light of the coronavirus (COVID-19) pandemic, how concerned are you, if at all, about each the following? The child care arrangement will have limited hours</i>	203
52	Table BPC19_7: <i>When thinking about sending your child(ren) back to child care in light of the coronavirus (COVID-19) pandemic, how concerned are you, if at all, about each the following? I will not be able to find care for all of my children</i>	208
53	Table BPC20: <i>To the best of your knowledge, what format and schedule will your region's public-school district be using this fall?</i>	213
54	Table BPC21: <i>Which of the following best represents the hybrid model your public-school district will be using this fall?</i>	218
55	Table BPC22: <i>If you school does not open in the fall, will you look for a child care provider for you school-aged child(ren)?</i>	222
56	Table BPC23: <i>And, would you be more likely to look for child care for your school-aged children (6-12 years old) with family or friends, or would you be more likely to look for a formal program or provider?</i>	225

57 **Table BPC24:** *And, thinking about the program or provider you might send your school-aged children to, how much would you be willing to pay for your child’s care on a weekly basis? If you would unwilling or would be unable to pay, please select the check box below.* 227

58 **Table BPC25_1NET:** *How, if at all, will the public-school district’s format and schedule impact your decision to send your children back to child care? Please select all that apply. I will have to use more than one child care provider.* 229

59 **Table BPC25_2NET:** *How, if at all, will the public-school district’s format and schedule impact your decision to send your children back to child care? Please select all that apply. I will have to rely on family to provide child care.* 234

60 **Table BPC25_3NET:** *How, if at all, will the public-school district’s format and schedule impact your decision to send your children back to child care? Please select all that apply. I will have to amend my work schedule to provide child care.* 239

61 **Table BPC25_4NET:** *How, if at all, will the public-school district’s format and schedule impact your decision to send your children back to child care? Please select all that apply. I will have to pay for more hours of child care.* 244

62 **Table BPC25_5NET:** *How, if at all, will the public-school district’s format and schedule impact your decision to send your children back to child care? Please select all that apply. My spouse, partner, or I will stay home with my child(ren).* 249

63 **Table BPC25_6NET:** *How, if at all, will the public-school district’s format and schedule impact your decision to send your children back to child care? Please select all that apply. I will use home-based care, such as a nanny or au pair.* 254

64 **Table BPC25_7NET:** *How, if at all, will the public-school district’s format and schedule impact your decision to send your children back to child care? Please select all that apply. Other, please specify* 259

65 **Table BPC25_8NET:** *How, if at all, will the public-school district’s format and schedule impact your decision to send your children back to child care? Please select all that apply. It will not impact my decision.* 264

66 **Table BPC26_1:** *How important, if at all, are each of the following health and safety measures for child care programs? Sinks at entry ways* 269

67 **Table BPC26_2:** *How important, if at all, are each of the following health and safety measures for child care programs? Sinks in classrooms* 274

68 **Table BPC26_3:** *How important, if at all, are each of the following health and safety measures for child care programs? Increased hand sanitizing stations* 279

69 **Table BPC26_4:** *How important, if at all, are each of the following health and safety measures for child care programs? Temperature and symptom checks prior to entry* 284

70 **Table BPC26_5:** *How important, if at all, are each of the following health and safety measures for child care programs? Staggered arrival and pick-up times* 289

71	Table BPC26_6: How important, if at all, are each of the following health and safety measures for child care programs? Reduced group sizes	294
72	Table BPC26_7: How important, if at all, are each of the following health and safety measures for child care programs? Limiting or restricting access to outside visitors, including parents . . .	299
73	Table BPC26_8: How important, if at all, are each of the following health and safety measures for child care programs? Required use of face masks among staff	304
74	Table BPC26_9: How important, if at all, are each of the following health and safety measures for child care programs? Required use of masks for children ages 3 and older	309
75	Table BPC26_10: How important, if at all, are each of the following health and safety measures for child care programs? Required COVID-19 testing for staff	314
76	Table BPC26_11: How important, if at all, are each of the following health and safety measures for child care programs? More stringent sick policies for children and staff	319
77	Table BPC26_12: How important, if at all, are each of the following health and safety measures for child care programs? Frequent communication with parents about child health and safety	324
78	Table BPC27_1NET: And, what health and safety measures do you see as most important in your child care program as it re-opens? Please select the three that are most important to you. Sinks at entry ways	329

Table BPCdem1: A multigenerational household is a family household that contains at least two generations of adults. For the purposes of this question, children are defined as an 'adult generation' only if they are 25 years old or above. Based on what you know, are you part of a multigenerational household (i.e. parent and grandparent, parent and uncle/aunt, parent and adult children 25 years old or above)?

Demographic	Yes	No	Total N
