

National Tracking Poll #200137
January 16-18, 2020

Crosstabulation Results

Methodology:

This poll was conducted between January 16-January 18, 2020 among a national sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

- 1 **Table BPC1:** *Based on what you know, do you support or oppose the federal government providing additional money to states to help colleges and universities reduce tuition prices for students?* 3

- 2 **Table BPC2:** *Do you agree or disagree with the following statement? The government should provide financial assistance to public service workers to help pay off their student loan debt.* 7

- 3 **Table BPC3:** *Do you agree or disagree with the following statement? Colleges where the majority of students don't graduate or don't have higher earnings after graduation should not be eligible to receive support from taxpayers.* 11

- 4 **Table BPC4:** *Do you agree or disagree with the following statement? College students have a right to know how much colleges spend out of their annual budget on marketing, recruitment, lobbying, and other activities not directly contributing to the success of the students.* 15

- 5 **Table BPCdem1:** *Do you currently have student loan debt?* 19

- 6 **Summary Statistics of Survey Respondent Demographics** 22

Crosstabulation Results by Respondent Demographics

Table BPC1: Based on what you know, do you support or oppose the federal government providing additional money to states to help colleges and universities reduce tuition prices for students?
