

National Tracking Poll #190862  
August 23-25, 2019

*Crosstabulation Results*

*Methodology:*

This poll was conducted from August 23-25, 2019, among a national sample of 1994 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
